Ztraps - No. 6 Skunk-N-More Live Trap 69.99

Ztraps "Spray Proof" Skunk Trap is an effective & humane method for capture and release of nuisance skunks. The 6" PVC tube limits the skunk's ability to lift its tail. "If skunk cannot lift its tail, it cannot spray" The enclosed confines of the tube keeps the animal calm and prevents the trapper from being scratched, bitten or sprayed. Effective for catching skunks, opossum, cats, rabbits and other similar sized animals. Features 24" long x 6" diameter

"Spray Proof" Skunk Trap 65.99

Skunk spray proof trap. Catch and carry convenience. This trap is very heavy duty with a guillotine style solid steel door. It is made from 6" diameter, 3/16th thick pipe, 24 inches long, and has a steel back. All parts are powder coated. A skunk can not spray while in this trap, they can not lift their tail, arch their back.

SHIPPING & ORDERING POLICIES

Ways to place an order:

Phone • 1-844-592-1997

Online • www.funketraptags.com

Mail • 2753 Roost Lane Guthrie Center, IA 50115

Walk-In's are Welcome

Payment:

We accept Visa, MasterCard, Discover, and American Express. We also accept checks and money orders, which may be held for clearance. We do not accept CODs. Understand that mail-in orders will take longer to process.

Shipping:

We ship USPS, UPS, and Spee-Dee.

Spee-Dee only delivers to Iowa, Minnesota, Wisconsin, Illinois, North and South Dakota, Nebraska, and parts of Missouri. Often, shipping Spee-Dee allows packages to arrive within 2-3 days.

PLEASE NOTE: Shipping times are estimated by both us and by any shipping company we use. UPS doesn't include the day a package ships out as a transit day and none of the shipping companies we use move packages on weekends or holidays.

Winter Shipping:

Be aware that some items, such as urine, may freeze if left out in sub-freezing temperatures or if left in a shipping vehicle/warehouse over the holidays. Plan your order dates accordingly and be present at the time of delivery if possible to reduce the risk of frozen products.

Returns:

All items must be **unused** and in their original packaging. Returns must be made within 30 days of purchase date. Please notify us right away if there is damage upon arrival. Refunds or product reshipment can be issued if the product ordered is damaged upon arrival. Proof must be submitted before refund is issued. Please contact us at 844-592-1997 before returning a product.

No returns on custom orders, reference materials, urine, lures, and baits.

We will not refund trap tags or brass dog tags that have errors on them if the information was submitted incorrectly by the customer. We will give a discount for returned tags that contain errors as we recycle the copper.

Terms & Conditions:

We are not responsible for typographical errors and are not required to honor such errors.

We are not responsible if you purchase items that are not legal in your state.

Is it your responsibility to know your state's regulations.

We are not responsible for any injuries that occur from the use or misuse of products purchased from us.

We are not responsible for trap jaw measurements advertised. These measurements are given to us by the trap manufacturing companies. We do not change such measurements.
